GRIEVANCE PROCEDURE

A. PURPOSE:

The primary purpose of this procedure is to secure, at the lowest level possible, equitable solutions to the problems of the parties. Both parties agree that these proceedings shall be kept as confidential as may be appropriate at each level of the procedure. Nothing contained herein shall be construed as limiting the right of any teacher with a grievance to discuss the matter informally with any appropriate member of the administration.

B. DEFINITION:

1. A "grievance" is a claim by a teacher that there has been a violation or misapplication of the terms of this agreement, or established Board policies, administrative regulations or past practices relative to terms and conditions of employment.
2. The term "teacher" includes any individual or group who is a member of the bargaining unit covered by this Agreement.

C. TIME LIMITS:

The initiation of any formal grievance to be processed through the procedure as outlined in this Article shall be governed by the following time limitations:

1. All references to time limits herein shall consist of "school days" except when a grievance is submitted on or after May 15, time limits shall consist of all "week days" so that the matter may be resolved before the close of the school term or as soon as possible thereafter.
2. The following time limits shall act as limitations on the institution and filing of grievances, unless mutually extended or waived by both the Administration and the Association:
 - a. Any other cause for grievance arising during the term of this Agreement shall be filed at the appropriate grievance level within twenty-five (25) days of the occurrence or impact on the teacher.

D. GRIEVANCE REPRESENTATION:

1. The Association shall establish a Grievance Committee to be selected in a manner determined by the Association. The Association agrees that it will identify to the Board, in writing, all current officers and Grievance Committee members.
2. In the event any representative or member of the Grievance Committee is also the grievant in the matter at issue, he/she shall then disqualify himself/herself for the case involved and shall be replaced by another member of the Association in a manner determined by the Association.
3. The building principal or administrator shall be the administrative representative when the particular grievance arises in one building.
4. If the grievance involves more than one school building, it may be filed with the Superintendent or a representative designated by him.
5. The Association Grievance Committee shall approve of, and process, all grievances to be pursued beyond the first step of the Grievance Procedure.

E. PROCEDURE:

1. **INFORMAL PROCEDURE:** The parties acknowledge that it is usually most desirable for an employee and his/her supervisor to resolve problems through free and informal communication. Therefore, if an individual teacher has a personal complaint, which he/she desires to discuss with a principal, he/she is free to do so without recourse to the grievance procedure. When requested mutually, by the teacher and principal, the building representative or a member of the Association's Grievance Committee may intervene to assist in resolving the complaint.
2. **FORMAL PROCEDURE:** A teacher is not required to process a complaint as a grievance. He/she may seek informal discussion and adjustment as outlined in Article V, E1 but he/she is not required to do so. If he/she wishes to process the complaint formally, he/she must invoke the formal grievance procedure which is subject to the control of the Association. In the administration of the formal grievance procedure, the interests of the teachers shall be the sole responsibility of the Association.

A formal grievance shall not be adjusted without prior notification to the Association and opportunity for an Association representative, either a member of the Grievance Committee or the building representative, to be present; nor shall any adjustment of a formal grievance be inconsistent with the terms of this Agreement.

- a. **STEP ONE - ASSOCIATION GRIEVANCE COMMITTEE.** The formal grievance procedure is invoked only when the grievance is put in writing on a copy of the Grievance Form as set forth in Appendix F. Grievance forms shall be available from the Association representative in each building.

After the necessary information is entered upon the said form such as the date, the cause of grievance occurred, a statement of the grievance, a statement of the relief sought, and the signature of the grievant, the forms shall then be delivered to the Association's Grievance Committee for consideration and for any further action the said Committee may deem necessary. It shall be the duty of the Grievance Committee to discuss, judge and decide on the merits of the particular grievance so filed.

If, in the estimation of the Grievance Committee, the grievance so placed in its hands for determination and disposition puts forth a meritorious claim under the definition of

grievance as defined in Article V, B.I then the Grievance Form submitted to the said Committee shall be signed by the Committee Chairperson, and a copy of the said Grievance Form shall then be delivered to the building principal, administrator, or Superintendent whichever is appropriate within twenty-five (25) days of the occurrence or impact on the teacher.

- b. **STEP TWO - BUILDING PRINCIPAL/ADMINISTRATOR.** Within five (5) school days of receipt of the grievance, the principal shall meet with one member of the Association's Grievance Committee in an effort to resolve the grievance. The principal or administrator shall indicate his/her disposition of the grievance in writing within five (5) days of such meeting, and shall furnish a copy thereof to the Grievance Committee.
- c. **STEP THREE - SUPERINTENDENT.** If, within fifteen (15) days, the Grievance Committee is not satisfied with the disposition of the grievance, or if no disposition has been made within five (5) school days of such meeting (or eight (8) school days from the date of filing, whichever shall be later) the grievance shall be transmitted to the Superintendent. Within five (5) school days the Superintendent, or his/her designee, shall meet with the Grievance Committee on the grievance and shall indicate his/her disposition of the grievance in writing within ten (10) school days of such meeting and shall furnish a copy thereof to the Association.
- d. **STEP FOUR - BINDING ARBITRATION.** If the Grievance Committee is not satisfied with the disposition of the grievance by the Superintendent or his/her designee, or if no disposition has been made within the period above provided, the grievance may, at the election of the Association, be submitted to arbitration before an impartial arbitrator. The Board of education will be notified that the grievance has been submitted for arbitration.

The rules of the American Arbitration Association shall govern the arbitration proceedings except as modified herein. The Board and the Association shall not be permitted to assert in such arbitration proceeding any grounds or to rely on any evidence not previously disclosed to the other party. The Arbitrator shall have no power to alter, add to, or subtract from, the terms of this Agreement. Both parties agree to be bound by the award of the arbitrator if the decision is within the scope of his/her authority and agree that judgment thereon may be entered in any court of competent jurisdiction. The fees and expenses of the arbitrator shall be shared equally by the parties.

The Board and the Association shall attempt to mutually agree on a panel of three (3) permanent arbitrators who shall be appointed annually. The three (3) arbitrators shall be used on a rotating basis except where the parties mutually agree to use an arbitrator out of rotation. If agreement cannot be reached on the three (3) arbitrators, the parties may opt to use only those arbitrators on which agreement has been reached or use the services of the American Arbitration Association in the rotation process. Except in cases involving the American Arbitration Association, appeals for arbitration shall be sent directly to the arbitrator, in rotation with a copy to the Human Resources Administrator. Within one (1) week of filing, a conference call will be scheduled with the Arbitrator, Human Resources Administrator and the PCEA Representative in an attempt to schedule a hearing date. The site for the Arbitration hearings shall alternate between the PCEA (or local MEA office) and the Board Office.

Once the appeal for arbitration has been filed, all communications with the arbitrator about that case shall be done jointly, or with prompt notice to the other party in emergencies or where the arbitrator initiates the contact.

- e. The request for arbitration must be within fifteen (15) days after receiving the Board's final answer on the grievance.
- f. The arbitrator shall have no power to establish scales or change any salary set forth in this Agreement.
- g. The arbitrator shall have no power to rule on any of the following:
 - (1) Any matter not involving an alleged violation or misapplication of the terms of this agreement, or established Board policies, Administrative regulations, or past practices relative to terms and conditions of employment.
 - (2) The failure to re-employ probationary teachers.
 - (3) The termination of services or failure to re-employ any teacher to a position on the extra-curricular schedule, except the question of the Board's liability on a written contract.
 - (4) Any matter subject to the procedures specified in the Teacher's Tenure Act (Act IV Public Acts, extra session, of 1937, of Michigan, as amended).

F. SPECIAL PROCEEDINGS:

- 1. At times the Association shall be qualified to prosecute a claim of grievance because the alleged violation has affected an identifiable group of three (3) or more teachers within the bargaining unit. In this event the Executive Committee of the Association will be the grievant and will file the grievance directly with the Superintendent, or his/her designee, at Step Three of the formal grievance proceedings.
- 2. If it is the desire of any teacher to exclude from the grievance procedure those matters which the teacher desires to have submitted to the Tenure Commission under the provision of the Michigan Teacher Tenure Act, then that teacher may pursue his/her claim notwithstanding the existence of the grievance procedure of this Agreement by invoking the right contained in this section.

G. MISCELLANEOUS:

- 1. During the pending of any proceedings, and until a final determination has been reached, all proceedings shall be private and any preliminary disposition will not be made public without the agreement of all parties.
- 2. There shall be no reprisals of any kind by administrative personnel taken against the grievant, any party of interest or his/her Association representative, any member of the Grievance Committee, or any other participant in the procedure set forth herein by reason of such participation.
- 3. Notwithstanding the expiration of this Agreement, any claim or grievance for which cause arose hereunder may be processed through the grievance procedure until resolution.
- 4. If either party refuses to arbitrate a grievance arising under this Agreement, the arbitrator appointed according to the above grievance procedure shall proceed on an ex parte basis.

5. For the purpose of assisting a teacher or the Association in the prosecution or defense of any contractual, administrative or legal proceedings, including but not limited to grievances and tenure proceedings, the Board shall permit a teacher access to and the right to inspect and acquire copies of his/her personnel file and any other files or records of the Board which pertain to the teacher or any issue in the proceeding in question. A representative of the Association may accompany and assist the teacher in this regard. Confidential letters of reference secured from sources outside the school system may be excluded from the materials available for the teacher's inspection.
6. All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel file of the participants.
7. It is hereby understood and agreed by the parties that references in the contract to a decision being "final" will be interpreted by the parties as not grievable.

ARTICLE VI

TEACHING CONDITIONS

The parties recognize that the availability of optimum school facilities for both student and teacher is desirable to insure the high quality of education that is the goal of both the Association and the Board. It is also acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school and the school day should be directed at insuring that the energy of the teacher is primarily utilized to this end.

This provision shall not permit more than five teaching assignments in any one day.
- 7. In the event of new curriculum adoptions and district-wide assessments, the following considerations shall take place prior to implementation:
 - a. Training: Training, as determined by the Teaching and Learning Administrator, shall include a comprehensive initial training period; as well as necessary on-going staff development training.

- b. Materials: Essential materials shall be purchased and available for classroom use before the new curriculum is implemented. Funds shall be made available for the replacement of essential consumable supplies related to the new curriculum.
 - c. It is important for the potential success of any new curriculum, that a period of 3-5 years be given to the staff member to assimilate this change into their total program. The parties agree that this language is not intended to allow a teacher to refuse or unreasonably delay implementation of any new curriculum.
- 8. Teacher Leaders may guide but not supervise or evaluate other teachers.

- 11. The following pertain to common assessments for courses for high school credit:
 - a. Courses that satisfy expectations of the Michigan Merit Curriculum (MMC) must give a common Secondary Credit Assessment (SCA). The common SCA will be jointly developed by teachers of the subject and the appropriate administrator(s) will assess the content expectations satisfying the MMC requirements for that course and will be given by all teachers teaching the course.
 - (1) The common SCA does not have to be given on the final examination day.
 - (2) The common SCA must have some value (will count toward the student's grade in the course).
 - b. This agreement is in no way intended to limit the use of common assessments, as the parties agree that periodic common formative assessments are essential tools to ensure that all students have the same opportunity to demonstrate they have met the same content expectations for a particular course.

12. Supporting Absent Students

Teachers shall provide academic support in the event a student needs to be quarantined or has an excused absence, pursuant to the P-CCS K-12 Student Handbook, of three (3) or more consecutive school days.

On one of the three teacher workdays at the beginning of the year, there will be a staff meeting not to exceed one (1) hour in length. New teachers or transfers to a building will have up to one half (1/2) hour of additional staff meeting time.

K. RELIEF FROM NON-TEACHING DUTIES

1. Teachers shall have a duty-free lunch period as long as the students' lunch period. However, classrooms will be open under the supervision of teachers at the first bell.
2. The Association acknowledges that, with minor exceptions, the Administrative Policies toward non-teaching duties have been highly satisfactory. The Board and the Association recognize that teaching is a profession and teachers shall not be assigned but may volunteer to assist in the following non-teaching duties:

The Association, through its members, agrees to assist in the training of Paraprofessionals.

The Paraprofessional shall be directly responsible to the building principal who will arrange for a schedule of work assignments. Teacher's requests for service will be arranged with a Building Administration Teacher Committee on a shared basis with the total teaching staff in each building. Paraprofessionals will be assigned to an individual teacher only upon the request and/or approval of the teacher involved and the administrator. A teacher administrator team has reviewed the guidelines for the use of paraprofessionals in the Plymouth-Canton Community Schools and will be submitting these recommendations to the Superintendent.

M. STAFF DEVELOPMENT COMMITMENT

Providing opportunity for professional growth is basic to teacher effectiveness and instructional improvement. Fostering such opportunity through a variety of experiences offers staff the flexibility to meet individual and group needs within the context of both interest and expertise. The district will provide thirty (30) hours of professional development a year. Part-time teachers shall have the in-service requirement adjusted proportionate to their assignment.

Teachers will have to access the WCRESA website to record and receive credit for their professional development.

N. OPEN HOUSE

All building staff shall participate in an annually scheduled fall open house conducted on a building-wide basis. The purpose of such an open house would be to inform families about classroom standards and activity, general building operation (e.g., rules and regulations), and to share essential curriculum goals and objectives for the year. The open house format will be determined by the building staff. Open house for the high schools (P-CEP) will be scheduled on the first Thursday after classes begin. If the first Thursday after classes begin falls on a religious holiday, high schools' (P-CEP's) open house will be on the second Thursday after classes begin. The dates of the open house will be reported to the Teaching and Learning Administrator by the end of the school year prior to the open house.

Middle school open house will occur the week following the high school open house. The day and date will be determined by the middle school staff.

The elementary school open house will occur the Wednesday before students' first day. The afternoon portion of the day on which open house occurs at all elementary schools, other than the TAG program, shall be a teacher workday. The elementary school with the TAG program will select a day other than the Wednesday before the students first day to hold its open house.

For the elementary and middle schools, the open house will be at least 1 and ½ hours in length.

For the high schools, a total of eight (8) hours will be scheduled between the open house and parent/guardian teacher conferences. Representatives from the teaching staff and the building administration will mutually determine how to divide this time.

O. PARENT/TEACHER CONFERENCE SCHEDULING

Opportunity for parent/teacher communication regarding student performance and school progress is an important part of the home- school relationship. In support of this effort, provision is made in the school calendar for a period of regularly scheduled parent/ teacher conferences.

The dates and times of parent/teacher conferences, as set forth in the calendar, may be changed if agreed to by the Teaching and Learning Administrator, or his/her designee, and a majority of the teachers directly involved. Special education teachers can count IEP/MET parent meetings toward conference hours if they occur outside of the work day. Scheduling of the parent/teacher conferences will be determined between the teachers and the building administrator.

Parent/teacher conferences must total six and a half (6.5) hours outside of the school day at middle schools and elementary schools.

P PROFESSIONAL DEVELOPMENT

2. If the staff member is scheduled to participate in a session that takes place during a time school is in session, they will be released from their duties.
3. If a staff member is required to participate at a time outside of their contracted commitment, they will be compensated at least the daily substitute rate.

ARTICLE VII

CLASS SIZE

- A. The Board and the Association recognize that the availability of optimum school facilities for both student and teacher is desirable to ensure the high-quality education that is the goal of both teachers and the Board.
- B. Because the teacher-pupil ratio is an important aspect of an effective educational program, the parties agree that the following professional staff-pupil ratio guidelines are desirable:
 1. Early Childhood (Subject to state licensing and program regulations)
 - a. 3-year-old classrooms --- 16 pupils

The maximum number of students in split classes is three (3) less than the straight grades unless a higher number is necessary to avoid exceeding the Board class size mandate.

4. Secondary Schools

- a. Grades 6-12 --- 30 pupils

- b. The ratio of students to Nurses should be as per the State Department of Education recommended guidelines.
- c. Special Services and Special Services Staffing should be as provided by Michigan Law.
- d. Special Education and Consultant class sizes and caseloads should be in accordance with recommended State standards.

6. Because the teacher-pupil ratio is an important aspect of an effective education program, the parties agree that the Board, or its designated representative, will meet with the Association representatives on the first Wednesday of each month to examine both the enrollment within buildings and between buildings and to reconcile inequities between teaching loads for all teachers. The Superintendent's or his/her designee's report on class size will be available for review at these meetings.

- C. Special Education Mainstreaming- certified special education students who are in a regular class will be included in the class counts using a weighted factor of two (2) to one (1).

 1. Human Resources compiles a list of certified/eligible EI, CI, SLD or OHI students who spend one-half or more of their assigned time in a regular classroom or SLI students who receive resource room services or EL students who meet the criteria to receive EL support to include levels 1.0 to 3.0 on WIDA /OR WIDA Screener or score low or mid on the KWAPT screener will be counted on a two (2) to one (1) count. In addition, students certified ASD that are not

assigned a full time 1:1 paraprofessional will also be counted on a two (2) to one (1) count basis.

33	2.5 hours
34	3.0 hours

3. Any student with eligible areas substantiated by multidisciplinary educational team (MET) summary will be submitted to human resources if necessary.
4. Paraprofessional time shall be assigned or reassigned on two (2) count dates. Those dates are:

The paraprofessional(s) will be placed in the classroom as quickly as possible thereafter.

5. A paraprofessional, once assigned, shall continue to be assigned for the duration of the count period.
 6. On each official student count date a teacher may elect, in lieu of paraprofessional time, to use the dollars as calculated below, for additional supplies and teaching materials. If a paraprofessional is selected for overage at the first eligibility, teachers can elect money instead or continue the paraprofessional but not the opposite. The amount of money to be allocated will be based on \$9.00 per hour of aide time the teacher is entitled to receive multiplied by the hours until the next count date. These dollars will be placed into an account for the sole use by the teacher to be spent only by that teacher for the direct benefit of students for things such as field trips, substitute teacher costs related to approved school business, teaching supplies and materials, etc. The department of instruction will clarify any questions regarding the use of the monies. All monies must be spent within the school year earned and are not cumulative. (EX: A class with 32 students would get 2 hours per day X \$9.00 per hour X the number of days until the next count date).
- G. Teachers with large class sizes may appeal for relief to a Joint Union-Administration Committee comprised of three (3) Union representatives and three (3) administrators. Where a decision cannot be reached, the Superintendent will decide. The decision of the Superintendent is appealable to the Board of Education, whose decision will be final.
- H. The following governs the inclusion of disabled/medically fragile students into the regular classroom environment.
1. No teacher shall be required to perform procedures for disabled /medically fragile students such as suctioning, catheterizing or attending to the personal hygiene needs of the student(s).

The decision of how much, and what type of assistance, will be made by a

committee of three (3) Union representatives and three (3) administrators. Where a decision cannot be reached, the Superintendent will decide. The decision of the Superintendent is appealable to the Board of Education, whose decision will be final.

I. STUDENT TRANSFER

P-CCS & PCEA realize that students may need to be transferred from one class to another for many different reasons and student confidentiality is a factor. Teaching & Learning will develop a process for this. This process will be explained at all building staff meetings K-12. After ten (10) student days of instruction before a student is moved a meeting will be held with both the teacher receiving and the teacher losing the student and administrator who activated this change. The teachers will receive a written explanation for the change of class for the student. If a student transfer is requested after four (4) weeks of student instruction then the PCEA President will be notified and will join the meeting if requested by any of the parties involved. If a final agreement is not reached then administration will decide on the move for the student.

Thereafter, negotiations of such proposals will begin on or before April 15, unless another date is mutually agreed upon. Either party reserves the right to submit additional proposals or modifications on the basis of need.
- F. Errors, omissions or the need for clarification, interpretation or adjustment of this Master Agreement may be corrected or adjusted with the mutual consent of representatives of the Board and the Education Association, subject to the ratification procedure of the PCEA Constitution.

- G. It is hereby agreed by and between the parties that during the contract, the parties agree to use the solution group approach to address non-economic issues. This will allow for ongoing resolution to problem outside the pressure and contentiousness of negotiations. While it is recommended that a limit be placed on the number of issues addressed in a given year, there is no cap proposed. It is agreed by the parties that any recommendations, which affect the Master Agreement must be submitted to the negotiating teams for concurrence.
- H. The parties will meet on the first school day of October, December, February and April. Parties have the right to determine their own team participants. Specific days and times will be agreed upon the first week of school. The parties may meet more often by mutual agreement.

The parties will acknowledge the problems that are raised as legitimate and will attempt, utilizing the IBB process, to find solutions to the problems.

If the parties mutually agree that the resolutions to a problem requires an addition or modification to the master agreement. They are empowered to alter the contract, subject to ratification by the parties.

ARTICLE XII

ARTICLE XIII

LEAVE POLICIES

The forms necessary and the basic policy for leaves appear in the Board Policy and Procedures Manual and have been agreed upon except that the following modifications and additions take precedence. The Board may require verification of eligibility for any leave provided herein.

A. SABBATICAL LEAVE

1. Professional employees who have been employed by the Plymouth-Canton Community Schools for a minimum of seven (7) consecutive years shall be eligible for a sabbatical leave. If granted the said employee shall be paid one half of his/her annual salary and full related fringe benefits.
2. A sabbatical leave shall be available to eligible professional personnel in order to provide an opportunity for professional improvement through formal study, research, writing and travel, or other types of experiences through which the general welfare of the Plymouth-Canton Community Schools will benefit.
 - a. An applicant must hold a permanent type teaching certificate.
 - b. Absence from service in the district for a period of not more than one year, under a leave of absence without pay granted by the Board for professional improvement or restoration of health, shall not be deemed a break in the continuity of service required in this section. Subsequent sabbatical leaves may be granted after eligibility has been re-established by service of an additional seven (7) years as a full-time employee.
 - c. Applicant must agree to return to the service of the Plymouth-Canton Community Schools immediately upon termination of sabbatical leave and to continue in such service for a period of two (2) years, unless physical disability makes this impossible or there is mutual agreement to the contrary. A signed agreement in the form of a promissory note shall stipulate that the failure of the teacher to provide such service shall result in the obligation to reimburse the district a proportionate part of the salary paid to him/her during the sabbatical leave, determined by the fraction of the two (2) years not served following the leave.
3. Application shall be made to the sabbatical leave committee not later than February 1 for a leave beginning the first semester of a school year or October 1 for a leave beginning the second semester of a school year. Such application shall be accompanied by a detailed plan for the period of the sabbatical leave as outlined on the prescribed form and in accordance with the criteria listed on that form.
4. The sabbatical leave committee shall consist of two representatives of the Association and a principal. They shall prepare a priority listing of eligible candidates and recommend names for sabbatical leave appointments within 30 days of application deadlines to the Superintendent, or his/her designee, for Board approval. In recommending approval of an application the committee shall consider the date of application, the purpose of the leave, the seniority of service to the school system, the professional growth of the staff member, the potential benefit to the school system and other factors deemed pertinent by the committee. The Board shall grant sabbatical leaves not to exceed two percent (2%) of the total teaching staff. Notice of the Board's decision shall be given the applicant within sixty (60) days of application deadlines.
5. A teacher, upon return from a sabbatical leave, shall be restored to his/her former position or to a position of like nature and status and shall be placed at the same position on the salary schedule as he/she would have been had he/she taught in the district during such period.
6. A sabbatical leave may be granted for a period of not less than one (1) full semester nor for more than two (2) full consecutive semesters.

7. The employee shall immediately request approval from the Superintendent, or his/her designee, for substantial change in the planned program of the leave as outlined in the approved application.
8. Each employee on a sabbatical leave shall submit a mid-point written report stating his/her progress and on returning from leave shall file a final written report with the Superintendent, or his/her designee, including the names of institutions attended, courses pursued, credits received, experience gained together with the applicant's appraisal of the professional value of the activities while on leave and the manner in which the knowledge and experience gained may be applied to the benefit of the school system.
9. The Board reserves the right to extend a sabbatical leave at full pay to an applicant on a special assignment for the Plymouth-Canton Community Schools provided the applicant guarantees to fulfill a four (4) year commitment immediately following his/her return.

B. UNPAID LEAVES

Eligibility for any kind of leave of absence except military leave shall be dependent upon a satisfactory record of at least two (2) years continuous employment.

1. A leave of absence of up to two (2) years shall be granted to any qualified teacher, upon application to the Superintendent, or his/her designee, for approval of the Board, for the purpose of participating in exchange teaching programs in other states, territories or countries; foreign or military teaching programs; the Peace Corps, Teacher's Corps or Job Corps as a full time participant in such program provided said teacher states his/her intention to return to the school system. Upon return from such leave a teacher shall be placed at the same position on the salary schedule as he/she would have been had he/she taught in the district during such period.
2. A leave of up to two (2) years for professional growth activities may be granted by the Superintendent, or his/her designee, with the approval of the Board of Education.
3. A leave of absence of up to two (2) years shall be granted to any qualified teacher, upon application, for the purpose of engaging in study at an accredited college or university reasonably related to his/her professional responsibilities.

Upon approval of the Board of Education one-half increment or one full increment on the salary schedule may be granted provided the advanced study relates directly to a need in the Plymouth-Canton Community Schools; has specific approval of the Superintendent, or his/her designee, prior to the study being conducted; and, written evaluation by Plymouth-Canton Community School administrators indicates the study was conducted in a way that rendered a service to the school district during such period.

4. A military leave of absence, shall be granted to any teacher who shall be inducted or shall enlist for military duty in any branch of the Armed Forces of the United States. Upon return from such leave a teacher shall be placed at the same position on the salary schedule as he/she would have been had he/she taught in the district during such period.

Any employee of the Plymouth-Canton Board of Education covered by this Agreement who is a member of the National Guard or any other reserve component of the Armed Forces of the United States will be entitled to a leave of absence without loss of time or vacation time during which he/she is engaged in the performance of official duty or training in this State or in the United States under competent orders. While on such leave he/she shall be paid an amount which when combined with his/her military pay would equal his/her regular salary not to exceed a total of ten working days in any one calendar year.

5. Upon the recommendation of a physician acceptable to both the qualified applicant and the Board, a health leave shall be granted up to a maximum of one (1) year plus any unfinished year. At the end of such leave the employee must either return or resign unless a special extension is recommended by the Superintendent, or his/her designee. When the employee's health permits his/her return, he/she shall so inform the Superintendent, or his/her designee, in writing and submit a statement from a physician certifying his/her fitness to return.
6. Notice of intention to return or resign must be sent in writing to the Superintendent, or his/her designee, by March 15 of the leave year. Failure to provide such notice shall be the equivalent of resignation.
7. While on leave an employee will maintain full continuing status and will maintain all employment rights held before leave was taken. However, fringe benefits will be provided only if the employee assumes the cost of premiums for such benefits.
8. The Board of Education shall grant a disability maternity leave of absence (LOA) to a member of the bargaining unit upon written request to the Human Resource Office sixty (60) days prior to the date of commencement of such leave. Said leave to be granted in accordance with the following:
 - a. A prospective parent will commence her leave upon the birth of child, a time jointly determined by the teacher and her physician or adoptive agency or Probate Court. Likewise, she may terminate the leave any time after the birth or adoption of the child upon thirty (30) days notice, provided that she is physically able to perform her teaching responsibilities.
 - b. After the disability LOA the initial leave period may be extended as a child care LOA for the duration of the unfinished school year when leave was granted, plus an additional year or two (2) consecutive semesters excluding a summer semester. Upon written request of the teacher and approval of the Board, the child care leave may be extended up to two (2) additional school years.
 - c. In the event of the death of the child or other emergency, the leave of absence may be terminated upon seventy-two (72) hour notice by the teacher.
 - d. In addition to the above provisions, the following options are available to expecting/adoptive teachers:
 - (1) **DISABILITY LOA**: A six (6) week to eight (8) week paid disability LOA absence, which would entail use of sick days (including thirty (30) day extension policy) and or request to borrow five (5) days from next year allotment of leave days. If the disability LOA were for more than six weeks, the administration will request a doctor's statement on a regular basis, or request a second opinion, and
 - (2) **CHILD CARE LOA**: A teacher would be allowed a Child Care LOA for the balance of the school year and/or is entitled to an additional year, as per the Master Agreement, or
 - (3) **CHILD CARE SHORT TERM LOA**: A teacher who elects a Child Care short-term LOA pursuant to (1) above, shall be allowed an unpaid leave of up to one semester at the teacher's option, with a guarantee of her current

position. If the leave is for more than one semester, then the teacher shall be placed in a comparable position, if available.

- (4) **PARENTAL LOA:** A teacher who elects a Parental LOA shall be allowed to take six (6) weeks of paid time from their paid leave days bank and may use the P-CCS Thirty (30) Day Emergency Bank and or borrow five (5) days from next year allotment of leave days. This would be the non-birth parent making the request. Parental leave of six (6) weeks can be divided into two (2) discrete segments of at least one (1) week or taken all at one (1) consecutive block during the baby's first 12 months.
 - (5) **ADOPTION LOA:** A teacher requesting a leave of absence (LOA) for adoption will be granted six (6) weeks of paid time. The teacher will use personal leave bank days and may use the PCCS Thirty (30) Day Emergency Bank and or request five days from next year allotment of leave days. Adoption LOA can occur intermittently.
9. Upon written request of a teacher a leave of absence may be granted by the Superintendent, or designee, with the approval of the Board of Education for other reasons including alternative career exploration, child adoption, or child care.
 10. An employee returning from a leave of absence shall be offered a position commensurate with training, experience and certification. A specific position in a specific school cannot be guaranteed on return from a leave of absence, but reasonable effort shall be made to return the employee to original position.
 11. When the leave of absence expires during a school year, every effort shall be made to place the employee in an appropriate position as soon as such a position is available. Employees shall be offered a position following a leave of absence not later than the beginning of the next following school year.

C. **WORKERS' COMPENSATION**

If a teacher is injured while at work and uses Workers' Compensation, they will use one (1) sick day for every two and a half (2.5) days on Workers' Compensation. This will offset the Workers' Compensation and keep their salary whole without a loss of income.

ARTICLE XIV

PROFESSIONAL COMPENSATION

- A. The salaries and differential of employees covered by this Agreement and the eligibility requirements therefore, are set forth in pertinent part in Appendices A, B, C and D which are attached to and made a part of this Agreement. Also included in Appendix A are the schedules for the school year and various provisions for payments and deduction.
- B. Full credit will be given for all teaching experience in the Plymouth-Canton Community Schools, except substituting. Additional years of credit for outside teaching experience may be recommended at the discretion of the administration. One (1) full semester, at least ninety (90) days of teaching inclusive of excused absences, shall be credited as one-half year on the salary schedule. Teachers who are allowed half-year credit shall be placed on the appropriate step on the salary schedule.

However, teachers hired within the first six (6) weeks of a semester will be given full credit for a semester on the salary schedule.

The Superintendent, or his/her designee, may recommend credit for other than public school or college teaching experience, if, in his/her opinion, it contributes to the qualifications of the teacher for a particular assignment. This could include military service, Peace Corps, VISTA and other job related experience, which would be in the same field as the teaching area assigned and a direct relationship exists. Ordinarily this would be work, which may be required for vocational certification. Any decision regarding related work experience shall be subject to review at the request of the Association or an individual teacher. However, the Superintendent's, or his/her designee's, decision on related experience shall be final.

This section relating to previous experience credit shall be effective only for all newly hired teachers following the ratification date of this Agreement and shall not be retroactive in any respect to teachers presently employed by the Board.

- C. Teachers on an unpaid leave of absence of forty-five (45) school days or less in one school year shall receive full credit on the salary schedule for the year. Teachers on an unpaid leave of absence of forty-six (46) workdays through one hundred and twenty (120) workdays in one school year will receive one semester credit on the salary schedule. Teachers on an unpaid leave of one hundred and twenty one (121) workdays or longer in one school year will not receive credit on the salary schedule.
- D. All full and part time teachers will advance a full step on the salary schedule every school year. Teachers who are initially employed during the 31st to the 120th days of the school year will receive one semester credit on the salary schedule. Those teachers employed after the 120th day will remain on the same salary schedule for the following school year.

ARTICLE XV

COPY OF AGREEMENT

The Board and Association will have available and provide to all parties concerned, upon request, copies of this Agreement. The cost of such shall be borne equally by the Association and the Board. Format and supplier to be mutually agreed upon. A digital copy of this agreement will be provided to all PCEA members upon ratification.

ARTICLE XVI

CONFORMITY TO LAW - SAVING CLAUSE

If any provision of this Agreement is or shall at any time be contrary to law, then such provision shall not be applicable or performed or enforced, except to the extent permitted by law.

In the event that any provision of this Agreement is or shall at any time be contrary to law, all other provisions of this Agreement shall continue in effect.

ARTICLE XVII

CONTRACTUAL OBLIGATIONS

The Board and the Association subscribe to the principle that differences shall be resolved by appropriate and peaceful means, in keeping with the high standards of the profession, without interruption of the school program. Accordingly, the Association agrees that during the term of this Agreement it shall not direct, instigate, participate in, encourage, or support any strike against the Board by any teacher or group of teachers.

ARTICLE XVIII

ACADEMIC FREEDOM

The Board recognizes and respects the right of citizens to make suggestions for the improvement of public schools but maintains that no group can deny academic freedom to educators. The Board recognizes that the education profession has both the right and the responsibility to insist that children must be free to learn and teachers free to teach broad areas of knowledge, including those considered controversial. The teacher recognizes that the student has the right and freedom to form opinions or conclusions on the factual information presented on both sides of a controversial issues, and further, that the teacher will refrain from indoctrinating the student with his/her own predetermined opinion on the issue.

- A. Therefore, academic freedom shall be guaranteed to teachers and no special limitations shall be placed upon study, investigation, presenting and interpreting facts and ideas concerning man, human society, the physical and biological world and other branches of learning subject to accepted standards of professional responsibility set forth in the Code of Ethics of the Education Profession.
- B. Whenever any group or individual brings charges against a teacher concerning the teacher's freedom to teach, or whenever any teacher faces charges made by any group or individual for violating either the letter or spirit of this Article, or for abusing the right guaranteed under the Article in any respect, that teacher is entitled to "due process under the law," of which shall include at least:
 - 1. Reasonable notice of the charge.
 - 2. Specific notice of the charges or charge so that he/she may be able to defend against and rebut such allegations.
 - 3. The names comprising the group or the name of the individual bringing the charges or charge.
 - 4. The right to be represented by legal counsel.
 - 5. The right and opportunity to rebut charges at an impartial hearing.
 - 6. The right and opportunity to rebut them in a competent court of law, if the teacher's future employment is threatened, due to or related in any way to the charges or charge brought against that teacher by any group or individual.

ARTICLE XIX

STAFF SENIORITY, REDUCTION AND RECALL

- A. Seniority for full or part time professional staff shall be defined as total years of contractual certified service to the Plymouth-Canton Community Schools as defined by the Association recognition clause in Article I computed from the first day they reported for work.

All leaves of absence shall not be an interruption of seniority.

Teachers will receive one (1) year of seniority for each year the teacher is employed or on an approved leave of absence.

If a person resigns, or otherwise leaves the employment of the district other than on an approved leave of absence, and subsequently returns, he/she will be entitled to reinstatement of his/her previous earned seniority if:

A) Written notice is received by Human Resources Department from the teacher by July 1st of the year of the termination,

B) The teacher does not terminate his/her employment prior to the end of a school year, and

C) He/she is re-employed by the district prior to the beginning of the school year which begins three (3) years after the termination date.

If any of the above three (3) conditions are not met, seniority will be computed from the first day he/she reports to work after returning to the employ of the Board. (e.g., written notice of termination is received June 1, 1996 to be effective at the end of the 1995-96 school year and the teacher is rehired by the district August 15, 1999. The teacher will receive previously earned seniority).

All administrators who have accrued seniority in the teacher's bargaining unit prior to September 1, 1976, pursuant to Article XIX, Section H., may fill only a vacant position within the bargaining unit as defined by Article I. Any administrator hired after September 1, 1976, shall not accrue seniority in the teacher bargaining unit.

Part time employees will receive a full day of seniority for each day worked. If the assignment is for a full school year, regardless of the schedule, the teacher will receive a full year of seniority.

It is understood that these seniority provisions have no impact on any provision affecting salary including but not limited to salary step placement or longevity.

- B. A seniority list shall be compiled each school year. This year shall take into account the actual or projected days of seniority to the end of each school year, and a finalized listing, with any corrections, shall be available by May 1st of each year. All teachers shall be ranked on the list computed from the first day they reported to work as a member of the bargaining unit.

In determining layoff or recall for any subsequent school year, this projected and corrected May 1st list shall prevail and be the effective list used for the full subsequent year, and shall remain as the seniority standing for employees until the new list is projected and/or finalized.

Nurses shall have a separate seniority list. All layoffs and recall of school nurses shall be by seniority.

- a. In the circumstances of more than one individual teacher with the same number of service years defined as seniority in Article XIX, Section H., the individuals so affected will participate in a drawing, by lot, to determine position on the seniority list. The Human Resources Department will notify the Association and teacher so affected in writing of the date, place and time of the drawing. The drawing shall be conducted openly and at a time and place which will reasonably allow affected teachers and P.C.E.A. representatives to be in attendance.
- b. Certified and highly qualified positions will be posted after teachers to whom the District has an employment obligation, consistent with certification, have been placed. Postings will be for at least five (5) work days. The Human Resources Administrator shall be responsible for these postings. Postings shall be sent to each building principal, the PCEA Chairperson in each building, and the PCEA President. The posting shall include, at a minimum, the subject assignment, if applicable, and qualifications. Any special education vacancy which arises after the first day of the second semester, may be filled by a long term substitute teacher. Any general education vacancy which arises after April 1st may be filled by a long term substitute teacher.

ARTICLE XX

EXTENDED SCHOOL YEAR

- A. The salaries, if differentials, of teachers in the Extended School Year (ESY) Program in the Plymouth-Canton Community Schools shall be provided in Appendix A, B, C and D, with the following stipulations:
1. The anniversary date of each employee in the ESY program shall be the opening school day of the program of each year for salary, retirement, fringe benefits, leave benefits, tenure provisions, vacations, transfers and assignments.
 2. Teachers shall have the opportunity to work more than the total contract days listed in the regular school calendar.

 4. Assignments in excess of the teacher's regular assignment shall be voluntary, and shall be paid as stipulated in A-3, cited above.
- B. The ESY Program shall have all leave days prorated per the existing Agreement leave clause cited on the previous page (i.e., probationary teachers one (1) extra leave day for every 18.5 additional days of work; tenure teachers, one (1) extra leave day for every 15.5 additional days of work, tenure teachers with five (5) years of service one (1) extra leave day for every 12.0 additional days work).
- C. Building space to be used during the summer months for classes, library, study hall, teacher preparation time, administration and similar purposes shall be so selected or environmentally controlled as to provide for comfort and health with respect to temperature, humidity, ventilation and lighting as provided in (Act 306, Public Acts of 1937 as amended), the Michigan Department of Education School Plant Planning Handbook (1975) Physical Environment of the Building (IV, Pages 39-45, 57-59).
- D. Adequate supplies, materials, equipment and in-service training shall be provided all staff which enter the ESY program.
- E. TSY Plymouth-Canton staff members shall be given priority status as daily substitutes in the ESY program at the daily substitute rate.

Teachers to be considered for the above duties must declare their intention in writing to the Human Resources Department.

TSY, ESY or laid off Plymouth-Canton staff members shall be given priority status to temporarily replace regular ESY staff members while they are on vacation (i.e., summer periods or 3-week breaks). These teachers shall be paid their per diem rate of pay.

ESY off-track teachers shall not be called as daily substitutes unless they have previously volunteered in writing to substitute.

- F. When necessary, and on a schedule determined by mutual agreement of the individual teacher and building principal involved, up to twelve (12) additional hours per track vacation period shall be granted for the purpose of setting up and taking down. These shall be in excess of in-service time and shall be paid at the teacher's per diem rate of pay. It is understood that the number of hours agreed upon may be less than twelve (12). Six (6) hours of set up/take down time shall be considered one school day.

- G. Teachers and administrators of an ESY building will work together to establish guidelines and to implement the program in the building.

ARTICLE XXI

The representatives of the Association and the Board shall meet monthly on an informal basis to discuss problems of mutual concern.

B. BOARD POLICIES AND PROCEDURES

All existing Board Policies and Procedures concerning those persons covered by this Agreement, if not changed in this Agreement, shall remain in effect and no change will be made in any way during the term of this Agreement without negotiation with the Association.

If conflict exists between old and new policies, which affect teachers, old policies and procedures will prevail until they are resolved by mutual agreement.

This does not apply to any Board Policies or Procedures which relate to items that are prohibited subjects of bargaining pursuant to MCL 423.215(3).

ARTICLE XXII

STAFF PARTICIPATION: CURRICULUM DEVELOPMENT, INCREASING INSTRUCTIONAL EFFECTIVENESS, SCHOOL IMPROVEMENT AND MICHIGAN SCHOOL ACCOUNTABILITY

- A. The Board of Education and the Association recognize the importance of staff participation in the process(es) of curriculum development; increasing instructional effectiveness through such avenues

as staff development and in-service training; and, school improvement planning, including issues related to Michigan School Accountability.

- B. The parties further recognize that change is a constant and thus influences the nature of teaching and learning. Such commitment can best be carried out in a climate that continues, supports and assures the opportunity for staff involvement.
- C. Staff participation is strongly encouraged. While the decision to accept the invitation to participate in matters of curriculum development; increasing instructional effectiveness; and school improvement is voluntary outside the contractually required work hours, the opportunity for such involvement will continue to be provided at the district and building level.

2. If the requisite 75% approve the recommended change, the recommendation must be submitted to the Continuous Improvement Committee (CIC) by submitting a copy of the attached form, including any minority reports, to the PCEA President and the Human Resources Administrator. The CIC:
 - a. Shall consist of five (5) PCEA members appointed by the PCEA President and five (5) administrators appointed by the Board or its designee.
 - b. Shall be limited to contractual issues only, and
 - c. Shall be authorized, without ratification by its constituencies, to make and implement waivers to the collective bargaining agreement subject to the procedures identified in paragraph 3 below.
3. When a building/department level change, approved per the above, is submitted to the CIC at least 80% of the CIC cannot object to the plan in order for it to be implemented. The CIC shall:

(1) **ARTICLE V, SECTION C(2) SHALL READ AS FOLLOWS:**

The following time limits shall act as limitations on the institution and filing of grievances, unless mutually extended or waived by both the Administration and the Association:

- a. Grievances pertaining to any disciplinary action taken by the Administration against any member or members of the bargaining unit shall be filed at the appropriate grievance level within twenty-five (25) days from the date written notice is given to the member or members affected by the disciplinary action so taken.
- b. Any other cause for grievance arising during the term of this Agreement shall be filed at the appropriate grievance level within twenty-five (25) days of the occurrence or impact on the teacher.

(2) **ARTICLE VIII SECTION B SHALL HAVE THE FOLLOWING SECTIONS INSERTED BEFORE THE SECTION ENTITLED "MENTORING":**

- A. All teachers shall be advised about the evaluative procedures and instruments, which are provided for by the contract.
- B. The parties agree to the following processes and procedures:
 1. Evaluation of a teacher in relation to his/her assignment is a continuous process and shall be conducted by an administrator. However, each formal observation by the administrator shall be made in person. All monitoring or observation of the teacher shall be conducted openly and with the knowledge of the teacher. This does not necessitate prior arrangement with the teacher.
 2. The administrators will evaluate the performance of all teachers each year in writing. Probationary teachers shall be formally observed at least twice during the school year with only one evaluation being completed by the administrator(s) during each year of probation. The two formal observations

shall be at least 60 days apart. The formal observations shall be for a minimum of thirty (30) minutes. Tenure teachers shall be evaluated every year by administration. Tenure teachers shall be formally observed at least twice during the school year with only one evaluation being completed by the administrator(s). There is no minimum amount of time required for tenure teacher observations. There is no minimum number of days between each observation. A tenure teacher, who received written notice of specific concerns with his/her work performance, may be placed on an Individual Development Plan of Improvement (IDP) by June 10th. Only one evaluation report will be written for teachers who have tenure in the District. While there may be more than one administrator involved in the evaluation, only one written evaluation report will be completed.

3. The probationary teacher and the administrator will hold a post-observation conference within five (5) work days of each formal observation (30 consecutive minutes) by the administrator. The conference may include a self-evaluation by the teacher. At the conference the administrator and teachers will discuss the observation and goals, if appropriate. If the observation identifies areas that are less than satisfactory, a written report, which identifies those areas and provide preliminary suggestions for improvement, will be drafted and provided to the teacher at that meeting. Within five (5) work days following the conference, written report, as specified in Section 4 below, will be provided to the teacher. If there are no areas identified as less than satisfactory, it is not required that a written draft report or conference summary be given to the teacher.

There is no pre-observation or post observation conference required for tenure teachers; however, either party may request a meeting at a mutually agreed upon time. Teachers are not required to submit pre-observation lesson plans. Each evaluator's observation notes will be shared with the tenure teacher either verbally or via email within five (5) working days. The teacher will acknowledge the sharing of notes by either a signed confirmation or by return email. If the observation identifies areas that are less than satisfactory, a written report, which identified those areas and provides preliminary suggestions for improvement, will be drafted and provided to the teacher.

The teacher may submit additional comments to any written observation in the event that he/she does not agree with the contents. All written formal evaluations are to be placed in the teacher's personnel file. A teacher shall be entitled, upon request, to confer with the Superintendent, or his/her designee, regarding his/her written observation or evaluation.

4. The written report of observations will indicate areas where growth is needed, if any, suggestions for improvements in such areas and progress made since the previous observation. Areas for consideration in teacher evaluation may include; appearance, attendance, punctuality, attitude, language, teacher-student, parent, community, administration relationships, subject-matter presentation, general aptitude for teaching. The teacher or administrator may request consultations or resource personnel to provide the kind of assistance required for continuing professional growth. The Board shall make every reasonable effort to provide such assistance.
5. If the evaluation will be summarized as "Effective" or "Highly Effective", the Summary Teacher Evaluation Report (Form D) will be completed by June 1 for probationary and tenure teachers. The Summary Teacher Evaluation Report will be signed by the teacher and the administrator by this date. The administrator will write a narrative that includes a summary of the teacher's

goals, a summary of the observations, and an overall qualitative statement of the teacher's professional performance. Each teacher is required to submit a reflection on his or her goals. The post-evaluation conference will take place by the last scheduled work day of the school year.

If the evaluation will be summarized as "Ineffective" or "Minimally Effective", the Summary Teacher Evaluation Report (Form D) with signatures must be completed by both parties prior to June 1.

6. Teachers whose services are being considered for termination under provisions of the Tenure Act shall receive a registered letter of notification and statement of charges from the Superintendent, or his/her designee, and advised of their rights under the Tenure Act for a hearing and appeal.
7. A joint committee of the Administration and Association is to meet during the school year for the purpose of evaluating, refining and developing adequate evaluation forms and procedures to be used in the total teacher evaluation process. The only evaluation forms used shall be those approved by the joint committee.
8. An evaluation team consisting of an administrator from Student Services and all building principals for whom he/she serves, may evaluate the school nurse.
9. Teachers may be requested to provide evidence of proper planning, but shall not be regimented as to the format of lesson plans and shall not be routinely requested to hand in lesson plans on a regular basis unless on a Program of Assistance.
10. The Employer and the Association recognize that there are many effective teaching methods, styles of presentation and techniques. Teachers shall not be regimented as to a particular method, style of presentation or technique.
11. In the event that a Tenure Teacher received an evaluation that is an "Ineffective" or "Minimally Effective", a written notice of intent to be placed on an Individual Development Plan for Improvement (IDP) must be provided to the teacher, with specific reason(s) stated for this action. The IDP shall be designed by the committee below by June 1 of the year of the Ineffective or Minimally Effective Evaluation. The IDP will serve as the evaluation for the subsequent year.
 - a. An IDP resulting from a Minimally Effective evaluation shall end by the following June 1st unless all the members of the committee below agree to an earlier or later date. The IDP resulting from a Minimally Effective evaluation shall include four (4) mutually agreeable written updates. These updates will be comprehensive and should address the areas of concern from the previous evaluation, as described on the Goal Setting and Action Plan Worksheet.
 - b. An IDP resulting from an Ineffective evaluation shall end by the following June 1 unless all the members of the committee below agree to an earlier or later date. The IDP resulting from an Ineffective evaluation shall include three (3) mutually agreeable written updates. These updates will be comprehensive and should address the areas of concern from the previous evaluation, as described on the Goal Setting and Action Plan Worksheet.

There will be no requirement to extend an IDP beyond the above timelines, or develop a second IDP for a teacher, even if an IDP started due to a Minimally Effective evaluation results in an Ineffective IDP. If an IDP results in an Effective evaluation, the subsequent on cycle evaluation will be three (3) years after the satisfactory IDP. An IDP will be instituted and carried out in the following manner.

- A committee consisting of the employee, the immediate supervisor, a Central Office Representative of the Department of Instruction, and the PCEA President, or his/her designee, shall be formed.
- The immediate supervisor shall share with the committee what the deficiency(ies) are in writing and shall outline activities that will correct the deficiency(ies). The teacher shall develop goals to address the deficiency(ies) subject to the approval of the committee.

The teacher shall state, in writing, measurable objectives and list activities subject to the approval of the committee. The committee shall establish a timeline and procedure to observe, monitor and provide for feedback regarding progress, as well as to assess performance and evaluate progress toward correcting the deficiency(ies). The committee shall also provide for any additional assistance within the resources available.

C. EVALUATION PROCEDURE SUMMARY AND TIMELINES

Teacher evaluation procedures were updated during the 2016-17 school year. Teachers were provided a copy of the new document. Contact your building administrator or Human Resources Department if you have any questions.

(3) ARTICLE IX, SECTION A(10), SHALL READ AS FOLLOWS:

- a. The Board may adopt rules and regulations not in conflict with the terms of this Agreement.
- b. Disciplinary action shall be defined as any oral warning, written reprimand, suspension, discharge or deprivation of any compensation or professional advantage.
- c. A teacher shall be entitled to have present a representative of the Association for any disciplinary action. Disciplinary action will not be effectuated until the teacher has had the opportunity to request the presence of an Association representative.
- d. Whenever a disciplinary action is reduced to writing by the administrator, the findings and decisions of the administrator shall be filed, in writing, in the teacher's central personnel file and a copy thereof given to the teacher.
- e. No teacher shall be issued an oral warning, written reprimand, suspended, discharged or deprived of any compensation or professional advantage without just cause.

- f. All information forming the basis for disciplinary action shall be made available to the teacher and to the Association, with the consent of the teacher, upon request.

(4) ARTICLE IX, SECTION D, SHALL HAVE THE FOLLOWING INSERTED AS SUBSECTIONS (3) AND (4):

- 3. Any derogatory materials to be included in a teacher's official personnel file shall be placed in the file within ninety (90) calendar days after the incident(s) occurred.
- 4. Materials in a teacher's personnel file may be removed upon his/her request in accordance with the following stipulations:
 - a. After two (2) years of inclusion, the teacher may request the administrator to submit documentation that would negate any derogatory material included in the file, providing adequate changes have been demonstrated.
 - b. If such adequate changes continue for an additional year, the derogatory material shall be removed from the teacher's personnel file.
 - c. Derogatory materials that have been in the teacher's personnel file for three (3) years or more at the time of review may be removed without documentation and without the one (1) year waiting period, at the discretion of the building administrator and/or the Human Resources Administrator.

(5) ARTICLE X, SECTION B, SHALL READ AS FOLLOWS:

- 1. In order to assure that pupils are taught by teachers working within areas for which they are highly qualified as defined by the Michigan Department of Education, teachers shall be assigned, except in accordance with the regulations of the Elementary and Secondary Education Act (ESEA) and the Michigan Department of Education to subjects and/or grades or other classes within the scope of their teaching certificates and/or their major or minor fields of study.
- 2. A teacher who desires a change in grade and/or subject assignments in his/her own building shall file a written request with his/her building principal.
- 3. Any teacher to whom the District has an obligation to increase up to his/her original FTE must notify the Human Resources Administrator by March 15 of the year prior to placement.
- 4. Teachers shall be notified in writing of any changes in their assignments for the ensuing school year, including the schools to which they will be assigned, the grades and/or subjects that they will teach and any special or unusual classes or assignments that they will have, as soon as practicable and under normal circumstances not later than July 15, provided that in the event of a change in circumstances or conditions subsequent to August 1 (e.g. resignation) such assignments may be changed as required to meet the situation. The teacher shall be informed of the reasons for any changes that become necessary after August 1.

5. In the determination of transfer requests, the convenience and wishes of the individual teacher will be honored to the extent that these considerations do not conflict with the instructional requirements and best interest of the school system and the pupils. In the event that an involuntary transfer is made, the teacher shall be notified of the reasons for the transfer at the time. Such transfers will be made on the basis of certification, experience and length of service in the district. When certification and experience of the teachers are substantially equal, the teacher with the least seniority will be transferred first.
6. In arranging schedules for teachers who are assigned to more than one school, an effort will be made to limit the amount of inter-school travel. Such teachers shall be notified of any change in their schedules as soon as practicable.
7. Teacher assignments and transfers shall be made in accordance with Article IV Fair Practices.
8. All vacant positions will be posted after teachers to whom the District has a employment obligation, who are certified and highly qualified, have been placed. There will be no transfer list produced by PCCS. Postings will be for at least five (5) workdays, and will be posted both internally and externally at the same time. The Human Resources Administrator shall be responsible for these postings. Postings shall be sent to each building principal, the PCEA Chairperson in each building, and the PCEA President. The posting shall include, at a minimum, the subject assignment, if applicable, and qualifications. Any special education vacancy, which arises after the first day of the second semester, may be filled by a long-term substitute teacher. Any general education vacancy, which arises after April 1st may be filled by a long-term substitute teacher.

Current members of the PCEA will be guaranteed an interview provided that the teachers meet the posted qualifications and are certified and highly qualified for the assignment. These teachers will be interviewed and considered before external applicants are interviewed. However, if an opening is posted two (2) weeks or less before teachers report for the new school year, the mandatory interview of internal applicants may be waived. The administrator may interview internal and/or external applicants at this time. An internal applicant who was not selected for a posted position will at least be given verbal feedback from the administrator about the reason(s) he/she was denied the position.

In most transfers the current teacher will not leave his/her current assignment until his/her position is filled. However, both parties recognize that there will be flexibility by Administration in determining when the actual transfer occurs.

9. Two teachers who wish to switch positions may do so prior to the beginning of a school year. Any such requests for a job switch must be made on a form provided by the Human Resources and signed by both teachers. Any such requests must be submitted to the Human Resources prior to the beginning of a school year. The final decision to grant any request rests with the Human Resources Administrator and is final.
10. Two teachers who wish to job share a position may submit a request on a form provided by the Human Resources. It is understood that time and benefits will be appropriately reduced and that the commitment is for a full year. At the end of the year, the teachers will be returned to their previous FTE level.

commensurate with the positions held prior to the job share arrangement, for which the teachers are certified. The high seniority teacher in the job share will stay in that position. Any such request must be submitted to the Human Resources by March 15 each year. The final decision to grant any request rests with the Human Resources Administrator and is final.

11. Current employed teachers will not be required to teach a lesson in order to be considered for a transfer.
12. A part time teacher to whom the district has no obligation to increase his/her FTE, will be assured of an interview, prior to out of district applicants, if seeking a change between buildings. If the increase is within a building, it will be accomplished upon recommendation of the building principal.
13. Alternative Education or ELL teachers shall have the same transfer rights as the K-12 teachers, including the right to an interview for another building.

(6) ARTICLE XI, SECTION D SHALL READ:

D. Proper areas of interest on the part of teachers include:

Teacher Rights	Sick Leave	Negotiation Procedures
Teaching Hours	Leave Pay	Grievance Procedures
Teaching Conditions	Leave of Absence	Non-teaching Assignments
Transfers	Sabbatical Leave	Professional Compensation
Fair Practices	Terminal Leave	Teaching Loads & Assignments
Overtime Pay	Ins. Protection	Vacancies and Promotions
Duration of Agree.	Teacher Evaluation	Curriculum Development

The above is not an exhaustive list of items subject to negotiation and items may be added or deleted with the consent of both parties.

(7) ARTICLE XIX, SHALL READ:

- A. To the full extent permitted by law, this Agreement shall be binding upon the Board and its successor personnel and upon any school district into which or with which this district shall be merged or combined.
- B. No teacher shall be discharged or laid off pursuant to a necessary reduction in personnel unless there is substantial decrease in the students enrolled in the school district or there is substantial decrease in per pupil revenues. Whenever possible, notice of discontinuance of service shall be given to both probationary and tenure teachers at least sixty (60) days before the end of the school year proceeding the year in which such discontinuance of service shall become effective. It is recognized, however, that circumstances may dictate a reduction in force subsequent to such notice period, and in such event the Board will make every reasonable effort to give such advance notice as is possible under the circumstances. In any event thirty (30) days notice shall be given prior to discontinuance of service.

The following layoff procedures shall prevail:

1. Specially certified teachers in the specific positions being reduced or eliminated shall be laid off first, provided there are qualified certified teachers to replace and perform all of the duties of the laid off teachers.

2. If reduction is still necessary then probationary teachers will be laid off, provided there are highly qualified, certified (Article XII, C) teachers to replace and perform all of the duties of the laid off teachers.
 3. If reduction is still necessary a teacher with the least district wide seniority in that building and department whose position has been eliminated shall be transferred to any existing vacancy for which he/she is highly qualified and certified (K-12, K- 8, 7-12). If no vacancy exists, the teacher whose position has been eliminated and therefore, required to transfer involuntarily shall replace the teacher with the least seniority for whose position he/she is highly qualified and certified (K-12, K 8, 7-12) at the time of reduction. The teacher will be returned to his/her original position when a vacancy occurs if he/she wishes to return.
 4. A teacher returning from laid off status prior to the beginning of the school year shall be returned to his/her original position if the position exists, seniority permitting.
- C. Recall will be based on a reversal to Section B above, i.e., the last laid off will be the first recalled, providing that all tenure teachers on leave, have been reinstated prior to recall of probationers.
 - D. Teachers being recalled will be given ten (10) days from the date of the mailing of a registered letter of recall to indicate their acceptance or rejection of reemployment. Failure to respond within the ten (10) day period will end the employee's seniority rights, except that a teacher who is sick shall notify the Board of his/her intent to return as soon as possible, and from the date of his/her notifying the Board, shall be deemed to be on sick leave. A substitute shall be hired in his/her place until he/she returns from sick leave. A substitute position of this nature shall be offered first to any remaining teachers who are yet laid off.
 - E. No new teacher shall be hired in a subject area until all laid off teachers, who are highly qualified, from that subject area have been recalled or decline the opening.
 - F. No new teachers shall be hired in a subject area before teachers who are laid off from other subject areas who may be qualified, and who possess the necessary certification, are recalled or decline the opening.
 - G. Layoff means removal from the payroll with no employment rights, other than retention of seniority status and recall rights as noted above. Such rights shall extend through the duration of this Agreement.
 - H. Seniority for full or part time professional staff shall be defined as total years of contractual certified service to the Plymouth-Canton Community Schools as defined by the Association recognition clause in Article I computed from the first day they reported for work.

All leaves of absence shall not be an interruption of seniority.

Teachers will receive one (1) year of seniority for each year the teacher is employed or on an approved leave of absence.

If a person resigns, or otherwise leaves the employ of the district other than on an approved leave of absence, and subsequently returns, he/she will be entitled to reinstatement of his/her previous earned seniority if: A) written notice is received by Human Resources Department from the teacher by July 1st of the year of the

termination, B) the teacher does not terminate his/her employment prior to the end of a school year, and C) he/she is reemployed by the district prior to the beginning of the school year which begins three (3) years after the termination date. If any of the above three (3) conditions are not met, seniority will be computed from the first day he/she reports to work after returning to the employ of the Board. (e.g., written notice of termination is received June 1, 1996 to be effective at the end of the 1995-96 school year and the teacher is rehired by the district August 15, 1999. The teacher will receive previously earned seniority).

All administrators who have accrued seniority in the teachers bargaining unit prior to September 1, 1976, pursuant to Article XIX, Section H., may fill only a vacant position within the bargaining unit as defined by Article I. Any administrator hired after September 1, 1976, shall not accrue seniority in the teacher bargaining unit.

Part time employees will receive a full day of seniority for each day worked. If the assignment is for a full school year, regardless of the schedule, the teacher will receive a full year of seniority.

It is understood that these seniority provisions have no impact on any provision affecting salary including but not limited to salary step placement or longevity.

- I. A seniority list shall be compiled each school year. This year shall take into account the actual or projected days of seniority to the end of each school year, and a finalized listing, with any corrections, shall be available by May 1st of each year. All teachers shall be ranked on the list computed from the first day they reported to work as a member of the bargaining unit.

In determining layoff or recall for any subsequent school year, this projected and corrected May 1st list shall prevail and be the effective list used for the full subsequent year, and shall remain as the seniority standing for employees until the new list is projected and/or finalized.

Nurses shall have a separate seniority list. All layoffs and recall of school nurses shall be by seniority.

- J. In the circumstances of more than one individual teacher with the same number of service years defined as seniority in Article XIX, Section H., the individuals so affected will participate in a drawing, by lot, to determine position on the seniority list. The Human Resources Department will notify the Association and teacher so affected in writing of the date, place and time of the drawing. The drawing shall be conducted openly and at a time and place which will reasonably allow affected teachers and P.C.E.A. representatives to be in attendance.

- K. The Association and the Board agree that the general interpretation of the procedures of the Master Agreement dealing with certification, recall, and seniority, and specifically the timelines and procedure related to school district's recognition of teacher certification, re-certification, or the addition of endorsements, shall be as follows:

1. By March 15th of each school year, teachers who intend to secure additional endorsements or certification, shall notify the Human Resources Department in writing and include the change sought, the university involved, and the expected completion date.
2. By the last teacher workday of that school year, any teacher who has submitted a written intent as set forth in Paragraph 1 above, shall supply the Human Resources

Department with written proof from the teacher certification office of the university that all work has been completed by such date, and that recommendation by the university will be made to the Michigan Department of Education and Certification Office to be effective by the beginning of the subsequent school year.

3. Prior to the first teacher workday of the subsequent school year, the teacher must present to the personnel office an official certificate indicating any such change in certification or endorsement.

For purposes of recall or reassignment, the Association and the Board agree that no change in endorsement or certification will be recognized or honored unless the afore-listed procedure and timelines have been adhered to strictly and specifically. Failure to adhere strictly to the procedure and timelines shall delay the recognition of such change, and accordingly delay recall or reassignment, until the following year's seniority list has been developed and the afore-stated procedures have been met, except that should a vacancy or new position arise after the opening of school, then any valid certification shall be recognized in the recall process.

- L. Certified and highly qualified positions will be posted after teachers to whom the District has an employment obligation, consistent with certification, have been placed. Postings will be for at least five (5) work days. The Human Resources Administrator shall be responsible for these postings. Postings shall be sent to each building principal, the PCEA Chairperson in each building, and the PCEA President. The posting shall include, at a minimum, the subject assignment, if applicable, and qualifications. Any special education vacancy which arises after the first day of the second semester, may be filled by a long term substitute teacher. Any general education vacancy which arises after April 1st may be filled by a long term substitute teacher.

(8) ARTICLE XX, SHALL HAVE THE FOLLOWING SECTIONS ADDED AFTER SECTION A:

- B. Assignments within the ESY program shall be made on the basis of state certification and seniority in the Plymouth-Canton Community School System wherever possible. Teachers with the most seniority shall be given their choice of initial and/or open teaching and track assignments in their building, length of assignment, assignments of additional days of work beyond the days listed in the calendar and vacation periods, wherever possible.
- C. No teacher shall be assigned into an ESY program without his/her consent except as outlined in this Section. Teachers shall be allowed to volunteer for an ESY assignment. If there are not enough volunteers to staff the ESY schools, then the Board may assign staff based upon seniority. Those teachers currently assigned to ESY schools, who elect not to teach in ESY shall be reassigned to existing openings by seniority. If there are no existing openings for which the teacher is certified then he/she may bump the lowest seniority teacher in the system in his/her field of certification.

(9) ARTICLE XXIII, SHALL HAVE THE FOLLOWING SECTION ADDED AFTER SECTION B:

- C. Neither participation nor non-participation in these areas shall be a criterion for evaluation, discipline or discharge.

APPENDIX J

OLD LANGUAGE

- a. Each section of half day kindergarten will receive thirty-five (35) minutes of physical education, thirty (30) minutes of media, and thirty-two and a half (32.5) minutes of music or art per week. This will give a.m. and p.m. half day kindergarten classes ninety-seven and a half (97.5) minutes of special classes. The six minutes of planning time at lunch will be eliminated.
